(sound of creaking door - 8kHz/8bit .WAV)

"Project coordination is great. Music Annex has the best contacts for voices. The engineers know what they're doing so I can deal with the talent...it's like having a third arm."

Adam Sevillia  
Game Designer  
Creative Support  
Sega of America

"Music Annex is Music Magic - The digital noise disappears, but our time doesn't. Fantastic file conversion and terrific turnaround time - not a single day of production lost."

Doreen Berman  
Multimedia Producer  
Scholastic Inc.

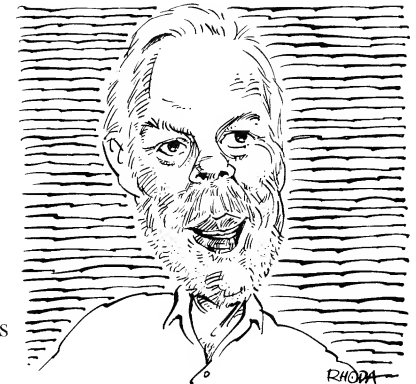

"Music Annex gets that sound that rips your head off and leaves your body twitching."

Ron Calonje  
Audio Programmer  
Chief Engineer  
Strategic Simulations, Inc.

"I appreciate the high degree of professionalism at the Music Annex and the positive attitude of the people. The product sounds great."

Murray Allen  
Director of Audio & Video Operations  
Electronic Arts

"Music Annex has been able to provide me with practically any type of voice, sound effect and music that I've needed."

Ted Brooks

Audio Producer

Computer Curriculum Corporation  
Simon & Schuster Education Technology

***Now wasn't that better than a bunch of long-winded copy about the "benefits" of working with us?***

***Face it.***

***You need devastating audio...you need it now...  
and you need to work with top level professionals  
who'll deliver every time.***

***Just give us a call--we'll be music to your ear.***
